Notification about the FY 2020/21 Allocation Budget Meeting was communicated to all AYS approved clubs and faculty advisors initially announced in the fall of 2019 and multiple reminders were sent after that, up until the date of the meeting. Club leaders and advisors were made aware that failure to attend the February 21st meeting could lead to loss of funding for FY2020/21. The college had 10 out of 12 clubs were in attendance at the budget allocation meeting.

Due to lack of attendance from student leadership, two clubs forfeited access to funding for FY2020. Those clubs are: Andrew Young Circle of Enterprising Scholars (AYCES) AND Alpha Phi Sigma (Criminal Justice Honors). The advisers were made aware of this and informed of the option to request funds centrally, if the club locates leaders sometime over the coming year and would like to become active again.

Clubs were provided with instructions to bring a completed budget proposal (as well as spending to date for FY 2019-20) to the February 21st meeting. Club presidents and advisors were provided with copies of the rules/regulations for Student Activity Fee Overview as well as GSU’s Cost Matrix.

During this meeting the following were proposed, discussed at length and voted upon:

- **To continue with the same allocation process** as in previous years. The clubs unanimously voted to continue with this process.
- **It was also decided that there will again be a Leadership Retreat and Budget Meeting in Spring 2021.**
  - The Council voted to use $1,100.00 of the total allotted amount for AYSPS for these mandatory student club trainings.

Student Activity Fee Committee Chair
Associate Vice President for Student Engagement & Dean of Students

Dear Dr. Sanseviro:

On February 18, 2020, from 2:00 p.m. – 4:00 p.m., the Student Services Committee (SSC) of the Byrdine F. Lewis College of Nursing and Health Professions (Lewis College), with a majority of students present, met to determine each student organization’s allocation amount. For FY 2021, the Student Activity Fee Committee (SAFC) allocated a total of $22,565.00 to the Lewis College.

The purpose of the Lewis College SSC is to ensure that fee money supports student activities and programming of chartered student organizations within the Lewis College. The Lewis College SSC ensures that each organization receives a copy of the Student Activity Fee Overview and Student Activity Fee Guidelines for guidance.

The eight chartered student organizations within the Lewis College are as follows:
- Association of Schools of Allied Health Professions (ASAHP),
- Nursing Students at Georgia State (NSGS),
- Nutrition Student Network (NSN),
- Pre-Nursing Society (PNS),
- Respiratory Therapy Club (RTC),
- Rho Tau [Physical Therapy] (RT),
- Student Health Informatics Association (SHIA), and
- Student Occupational Therapy Organization (SOTO).

For the 2019-2020 academic year, the Lewis College SSC is comprised of the following 23 members:

On January 22, 2020, the Lewis College SSC Chair emailed committee members to inform them that the Lewis College had received an allocation of $22,565.00 from the SAFC for FY 2021. The email also contained a Lewis College Budget Request Form, which each organization was asked to complete and submit to the Chair by January 31, 2020.

On February 18, 2020, the SSC met to determine the FY 2021 activity fee allocation for each organization. Since proposed budgets exceeded the funds allocated to the Lewis College by $34,989.56, student representatives worked together to adjust the budgets of each organization while receiving guidance from faculty representatives and the Chair. Below is the final decision of the SSC for FY 2021 budgets of Lewis College chartered student organizations.

Dr. Sansevior,

The Robinson College of Business is currently in the process of allocating the generous FY 2021 $74,004 Student Activity Fee funding to our student organizations.

On Friday, January 24, 2020, the main student contact and faculty advisor for each RCB organization were informed of the amount awarded to the college via email. The email listed the FY 21 fund allocation meeting date as Friday, April 3, 2020 at 2:00 p.m. Angela Stover, facilitator for the paperwork process, sent an email invitation inviting all RCB organizations to submit a budget request form to her on or before 4pm on Friday, February 28, 2020. A copy of the template for the approved budget request form was attached to the email. Reminder emails were sent January 24th, January 31st, February 7th, February 14th, and February 21st. The emails announcement, the budget request form and a list of all student organizations is attached.

This initial email also informed the students that there would be a new allocation process. A Fund Allocation Committee will be selected to determine the allocation for 2021 (FY 21). The committee will be comprised of six (6) organizations randomly selected from all RCB students organizations that successfully turned in their budget request forms on or before the deadline (February 28, 2020). Ms. Colleen Joyce, Director, RCB, OUAA, Mrs. Angela Stover, Business Manager, RCB OUAA, will randomly select the six organizations. An additional RCB OUAA team member will be in attendance to witness the selection process. Once the six organizations are chosen, each organization will select (1) student representative to serve on the committee. This representative must be able to attend the mandatory meeting on Friday, April 3, 2020 at 2:00 p.m. Once the six member Fund Allocation Committee has been selected, all members will receive a copy of the budget request forms (summary of intended use of funds) that were submitted by each organization. An email will be sent to each committee member informing them that the copies (packet) will be available for pick up by signature in 55 Park Place, Suite 1201, 12th floor. This information was also included in all five budget request communications sent to the students and faculty advisors. Twenty-nine (29) student organizations submitted budget request forms for FY 21.
The main student contact and faculty advisor for each RCB organization will be notified by email of their awarded amounts no later than Monday, April 6, 2019. A copy of the proposed email announcing the award is attached. We will submit the final allocation amounts and the sign-sheet from the allocation meeting to the Office of the Dean of Students by Tuesday, April 7, 2020.

If you have any questions I will be happy to assist you. I can be reached at 404-413-7123 or email mjcoyle.gsu.edu.

Sincerely,

$74,004
March 4, 2020

To: Michael L. Sanseviro, Ph.D.
   Associate Vice President for Student Engagement & Dean of Students

From: Denise Gouveia
       School of Public Health
       Chair, SPH Student Affairs Committee

Re: FY2021 Allocations

Dear Dr. Sanseviro,

The School of Public Health has four chartered organizations, the Public Health Student Association (PHSA), the Public Health Club, GlobeMed, and Public Health Doctoral Research Network (PHDRN). All student organizations’ presidents and faculty advisors were contacted on in early February 2020, and advised to submit their budget requests by February 28, 2020. Budget templates were provided. The total allotment for the School of Public Health is $7,715. We have received budget proposals from most of the student organizations and are planning to meet in late March.

A fee council meeting is tentatively scheduled for March 26th to discuss and vote on the individual student organization allotments for FY2021.

The fee council meeting will include the following members:

- Denise Gouveia (Staff, OAA Director)
- Lisa Casanova (Faculty, PHSA Advisor)
- Kim White (Faculty, PH Club Advisor)
- Sarah McCool (Faculty, GlobeMed Advisor)
- Carlos Pavao (Faculty, PHDRN)
- Phylicia Stewart (PHSA president)
- Priya Shah (PH Club president)
- Alexandria Johnson (GlobeMed President)
- Shaunda Scruggs (PHDRN President)
- Matthew Lyons (PhD student)
- MPH Student at-large
- BS Student at-large

Organization presidents will have the opportunity to defend their budgets, and then a final vote will be taken on allocation amounts. Even though all organization presidents are expected to be present, they will receive an email following the meeting with their allocation amounts in writing. We verify that student organizations are chartered in PIN before meeting to allocate funds. I will notify the Student Activity Fee Committee of the final amounts once they are assigned.

Thank you for your continued support, and we look forward to a productive programming year in 2020-2021.

RE: FY21 Recommendations to the Student Activity Fee Committee

Dear Dr. Sanseviro,

We write to provide details regarding the process used by the Arts Fee Council to review and evaluate funding requests from student organizations for FY21.

**Committee Membership and Classification of Committee Members**
The Arts Fee Council currently has nine members – six students and three faculty. The current student representatives are Hannah Brooks, Yusef Ferguson, Curtis Gay, Lyndi Kemp, Krew Keth, and Isacc Sabelhaus. The current faculty representatives are Cynthia Farnell, Marc LeMay, and Keith Tims.

**Time of Allocation Process**
The Arts Fee Council met on Thursday, February 27, 2020 from 9:00 AM to 2:00 PM to discuss and make recommendations for FY 2021 funding requests. The Council was tasked with recommending how to allocate $238,108 among arts organizations for FY21.

1) The Arts Fee Council’s application process was hosted online in the Panther Involvement Network (PIN) for FY21 funding requests. This is the second year we have hosted the application process on PIN. The application went live on January 14, 2020, and groups had until 5:00 PM on February 21, 2020 to submit their application materials.

2) All groups given the opportunity to sign up for a time to meet with the Council to discuss their proposal and clarify their budget requests. All but two groups that applied for funding sent a representative to meet with the Council. The Council agreed that it would not discuss final allocations until all of the groups who signed up for a time to present had been heard.

3) The Arts Fee Council advertised funding availability on PIN, the College of the Arts website, and via email. (Emails notifications were sent to a list of all known arts organizations, which we had compiled throughout the year.) Groups that completed the application process were invited to sign up for a time to meet with the Council through SignUpGenius. Student organizations were given 15 minutes for a short presentation followed by a Q&A session with the members of the Council.

4) The Council was informed that the Arts Fee Council FY21 budget is $238,108 -- a decrease of $1,607 from last fiscal year – and that the number of groups applying for funding had increased. The requested amount from the 15 student groups that applied for funding totaled $389,033 (a difference of $150,925, which the Council had to cut from the total requested amount).
5) Following the presentations, the Council carefully reviewed the applications and evaluated the proposed budgets. The Council was not able to fully fund any of the groups. However, all groups received partial funding.

6) Student organizations and their corresponding faculty advisors were notified of their FY21 funding amount via email on March 5, 2020.

To Dr. Michael L. Sanseviro, Chair of the Student Activity Fee Committee:

For your consideration, and for the consideration of the Georgia State University Student Fee Council, we have prepared a summary of the Honors Fee Committee membership, processes, procedures and funding allocations for fiscal year 2021.

Our goals for the effective implementation of the Student Activity funding on behalf of Honors students remain, as always:

- Promotion of scholarship, research and creative pursuits
- Development of academic, co-curricular and social programming
- Fostering the sense of an Honors community
- Fostering leadership development

Using these criteria and bearing in mind the need to serve as many of our nearly 2000 Honors students as possible given funding constraints, we present our summary of the Honors process for fiscal year 2021.

Thanks to both you and the Committee for your consideration.

Committee Selection Criteria

The Honors College is comprised of students representing all of Georgia State’s degree-granting colleges. An all-student call via iCollege soliciting participation is issued each academic year, and representatives from all funded areas’ leadership are sought as well. Permanent members of the Honors Fee Council will include the President of the Honors Student Organization (or his/her/their delegate) and the Honors College Dean.

Funding Proposals

Each semester, the Honors Fee Council advisor posts a call for proposals on the Honors Colleges’ primary student communication board in iCollege. Proposals are collected throughout the academic year and are presented to the committee prior to the annual voting session. Student groups are notified of their funding allocations after the committee advisor receives approval from the GSU Fee Committee’s representative.

Procedures

The annual voting meeting, where all funding proposals are evaluated and funded, was held on Monday, March 2nd with nine committee members in attendance.

As the council considered its priorities for fiscal year 2021 funding, the group was mindful of the mandate to serve an ever-growing number of Honors students on campus. Using data and suggestions garnered from web page, D2L and social media analytics, as well as summary feedback data gathered after each fee-funded event and a Qualtrix student survey, the council unanimously agreed that the Honors Ambassador leadership program, the GSURC student board and the various Lunch and Learn programs have been successful in promoting the goals of leadership development and research, but that attendance in general at spring events had continued to be underwhelming.

The Fee Council implements a mid-year review process for funded groups who have additional programming initiatives, considering that several Honors students groups, boards, etc. have new officer elections well after the award of funding for the academic year. The Fee Council believe that this encourages creativity and initiative and invigorates the voting processes for affected groups.
Funding Decision Criteria

The Honors College Fee Council, in keeping with the college’s commitment to excellence and innovation in undergraduate education, has chosen to target its Student Activity Fee allocation toward four critical areas:

- Support for undergraduate research and post-graduate success
- Academic and social programming designed to foster an undergraduate culture that nurtures the highest level of academic and personal achievement on campus
- Outreach and public service to the larger Georgia State community through signature events such as the Georgia State Undergraduate Research Conference
- Leadership development and training

The Fee Council prioritized funding categories that met at least one of the decision criteria, and special consideration was given to activities that would bring credit to the university in broader regional and national contexts, or programming that would help to foster increased energy and engagement among the student population. Especially given the economic challenges facing students and public universities today, the Council is grateful to the Student Fee Committee for helping the Honors College augment its offerings to Honors students as well as to the larger undergraduate student body at Georgia State.

The Honors College Fee Council thus recommends the following funding for FY21:

**RE: Student Activity Fee Committee College and Fee Council:**

Dear Dr. Michael L. Sanseviro,

This letter is to present you with a goal statement and funding protocols of International Student Associations Council (ISAC) for FY2021.

Thank you for your time and continuous support.

On behalf of ISAC executive board

Sincerely

Meng Sun
International Student Coordinator
ISAC Advisor
[mssun13@gsu.edu](mailto:mssun13@gsu.edu)
404-413-2099
**Goal Statement for ISAC:**
As reflected in the ISAC Constitution:

“ISAC will represent the international students enrolled at Georgia State University and provide a forum to voice needs and concerns of the international students to International Programs and to the Georgia State University administration. ISAC will provide culturally sensitive programming, which recognizes, supports, and celebrates the diversity of the students and their perspectives. ISAC will plan and sponsor events that unite and educate all students, the Georgia State University community and the Atlanta area regarding the importance and existence of cultural diversity. ISAC will offer leadership training for members of each association under the umbrella of ISAC.”

**Budget Allocated FY 2021:** $71,050

**GSU Speedtype:** SAIPR

**Fee Council Membership:**
There are three elected ISAC Student Officers: President, Executive Vice-President of Events, and Vice-President of Communications. The officers are elected for a one-year term effective fall semester. Elections are held during Spring Semester and only active member associations can partake in this election.

- Applications open: February 27-March 13
- Application review by a selection committee: March 16-March 20
- Initial Interview by ISAC Advisor and E-board: March 23-March 26
- Official campaigning and votes: March 27-April 2
- Selections will be announced at the last event of Spring Festival

- There is one ISAC Student Assistant: Secretary/Treasurer. This position will be posted during the spring/summer semester with a fall semester start. This position reports to the advisor and supports ISAC.
- ISAC currently includes 16 international student groups (complete list is included on the last page). Each organization is required to send its President or designated representative to each General Body Meeting to receive updates and vote on measures. GBM Dates are provided during Fall and Spring Retreat.
  - Over 700 students are members of ISAC groups in total, though each association’s membership varies from 7 members to 150. Members are international students, first or second-generation Americans, and any student interested in the various cultures represented by the ISAC groups. Each organization elects leaders to represent themselves.
- The ISAC staff advisor is assigned by the International Student and Scholar Services office.

**Funding Protocols & Procedures:**

- ISAC has an annual budget that is allotted from the student activity fees.
- The annual budget is divided between the various activities including but not limited to campus events, ISAC leadership retreats, marketing, budgets of member associations, personal services, and activities planned by ISAC or that involve the international students.
- During Fall (September) and Spring (January) Retreat each organization in attendance presents proposed activities/events for the upcoming academic year. Each organization is assigned the same budget (i.e. $800 per semester). If additional funding is needed, organizations are encouraged to work together and share budgets. This encourages collaboration and fosters cross-cultural events.
- During the month of April, the ISAC board will host a “mini-retreat” so the outgoing e-boards can work with the incoming e-boards to update their PIN account, propose a budget for the upcoming year, discuss programming ideas, and discuss any challenges and/or suggestions for the new year.
- The ISAC Executive Board creates and manages the ISAC Programs (ISAC Tastes of the World, Lunch and Learn, Coffee Hour, Spring Festival), as well as any new initiatives. These events are presented to ISAC member organizations during the Fall/Spring Retreat and voted on. Member organizations are encouraged to lead these programs, once approved.
- This document is internally available to all ISAC members through the membership share folder.
See page 4 for detailed budget.

**Funding Criteria (ISAC Organization Responsibilities):**

Each association must:

- Attend Fall and Spring Retreats by sending 2 delegates to each.
- Attend ISAC General Body Meetings regularly but is allotted no more than two absences in order to be eligible for ISAC budget.
  - In case of 3 or more absences, the organization is placed on probation resulting in a loss of budget allocation. The organization must meet with the Executive Board to determine sanctions and steps to regain full status.
- Each association must host at least one cultural event per semester.
- Each association must participate in International Spring Festival. Participation includes but is not limited to planning or partaking in an event. It does not include viewing an event.
- Each association must attend the “mini-retreat” in April by sending the outgoing President and Vice-President.

**Services Provided to Students:**

- Both membership and programs are open to all students.
- The entire campus receives free services and programming from ISAC. The most attendance at any single event has been 600.
- The main services provided to students by ISAC include:
  - Culturally diverse campus programming.
  - Leadership training and opportunities (Georgia International Leadership Conference, Retreats)
  - Helping new international students get adjusted to life at GSU, Atlanta, and in the U.S. ISAC groups provide airport pickup, help find off-campus housing, and orient new students to their new life here. ISAC groups are also working with Admission Office’s International Student Ambassador (ISA) program to provide assistance from Fall 2020.
  - Provide a community for international students where they can share and celebrate their culture.

**Travel selection:**

- ISAC Leadership Retreats: ISAC plans 1 trip per semester for all presidents and/or officers from each organization to meet, collaborate, and plan for the semester. The retreats are promoted through the ISAC meetings and online groups. Each group is required to send 2 members of their executive group or nominate someone.
- Cross-Cultural Educational trips: ISAC plans an annual trip at the end of the school year. This trip offers international students the opportunity to see more of the US and to learn more about American history. Participants are recruited through ISAC and international students by email and other marketing. It’s a first-come, first-serve participation and includes some American students.

**Personal Services:**

- ISAC maintains 3 stipend positions and 1 student assistant. The 3 stipend positions is the Executive board and is comprised of the President, Executive Vice President, and Vice President. These positions are elected by ISAC membership in April for the following school year. Once elected, the Executive Board advertises and selects the student assistant – Secretary/Treasurer.
- Details regarding position description, stipend amounts, hours, and hire dates may be found on page 5.

INTERNATIONAL STUDENT ASSOCIATIONS UNDER ISAC 2019-2020
STUDENT MEDIA

To: Dr. Michael Sanseviro, Associate Vice President for Student Engagement & Dean of Students
From: Bryce McNeil, Chair - Committee on Student Communication
Date: March 6, 2020
Re: Media Fee Council Budget Proposals FY2021

The CSC serves as the Media Fee Council for student-run media organizations at Georgia State University. It oversees five Student Media organizations: Album 88 (radio), NeoN (closed-circuit/online video on demand), New South literary journal, The Signal newspaper, and Underground literary journal.

Upon recommendation of the CSC and from each of the current Media Heads, the council has reviewed and approved amounts for Media Organization budgets for FY2021, including this proposal.

The SAFC provided a slight increase for FY2021 from FY2020 for Student Media. Between this and a slight decrease in the Album 88 budget, the increase has been disbursed between four of the five remaining budgets: general media use, NeoN, New South and Underground.

Listed below are the current and proposed allocations. Please note that the CSC has formatted its request to fit the FY2021 allocation provided by the SAFC.

TO: Chair, Student Activity Fee Committee
FROM: Dr. Alexis Martinez, Associate Dean for Student Affairs, College of Law
DATE: March 1, 2020
RE: College of Law Student Activity Fee

Starting with the Fall 2018, the College of Law student activity fee allocation was used to support three major initiatives to support students within the College of Law: Honors Day/Law week, Wellness programming/initiatives, and Leadership development. Starting in the fall, the student activity fee helped support presidents’ roundtables that allowed student organizations to connect, learn from each other and supported the development of a student organization manual. In addition, yoga and programming with the counseling center has also been supported (starting this semester), following our successful mindfulness programming in the fall.

For the 2021 fiscal year, the College of Law will continue or increase the programming to support students with the addition of diversity and community building initiatives. Please see below for more information.

Honors Day continues to be main opportunity each year for the entire College of Law community to assemble and honor our students for their accomplishments in and out of the classroom. Students are honored for achievements ranging from academic excellence in particular courses; to demonstrating a commitment to social justice and community engagement; to service in the College of Law’s Clinics, to outstanding performance on Moot Court competition teams, Student Trial Lawyers Association mock trial teams, and Law Review. Two particularly important awards are the ALI-ABA Scholarship & Leadership Award and the Georgia State University Public Service Award. The 2021 Honors Day Program and Reception (which will be scheduled for early April 2021) will cost approximately $3,500. Most of the cost is for food, and the remaining expenditures are for supplies and printing the program.

Approximately $750-$1000 of this allocation goes to support the student leadership roundtable series that is held on a monthly basis for all student organizations leaders to meet, connect with each other, discuss programming and potential issues/concerns of COL students.

For next year, taking the feedback provided from the committee in the past – I would like to set up an incentive system for student organizations that organize “healthy/wellness” programs. The idea would be for them to submit their proposal ideas and be awarded anything from $50-$150 supplemental funds to support wellness programming for COL students. It can be anything in the area of financial, mental, spiritual, physical, emotional, or academic wellness programming for the upcoming academic year.
